

## LANDSCAPE DESIGN . POOL DESIGN . PROJECT MANAGEMENT

Space Landscape Designs takes great pride in its landscape and pool designs and aims to create an innovating outdoor space that is suited to your site, lifestyle and budget.

Our design work is based on a thorough understanding of the physical characteristics of the site. Our approach is to develop a unique and cost effective solution using a broad range of materials and finishes.

Space Landscape Designs create private and relaxed outdoor areas that reflect our attention to detail. The close interation between client and designer ensures the landscape design is carefully tailored to suit individual needs and aspirations.
