POOL DESIGN . LANDSCAPE DESIGN . PROJECT MANAGEMENT

Before choosing your pool builder select the right Swimming Pool Designer to ensure your new pool is in harmony with the environment & surrounding architecture. Space Landscape Designs create private and relaxed outdoor areas that reflect our attention to detail.

Our focus is Pool Design, Landscape Design & Project Management. We also specialise in the selection of pool interior finishes, coping/paving and lighting to ensure the perfect finish to your project.

Space Landscape Designs takes great pride in its designs and will create for you an award winning swimming pool and Landscape.
